The application has been amended as follows: nonelected claims 9-13 without traverse has been canceled.

### REASONS FOR ALLOWANCE

2. Claims 1-8 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not anticipate nor render obvious to one ordinary skilled in the art a liquid crystal display (LCD) device comprising a combination of various elements as claimed, more specifically, a storage capacitor provided on the first substrate, a color filter layer on the second substrate and including a recess at a location opposite to the storage capacitor.

Kashimoto ('645) discloses a color LCD device comprising a color filter layer on the second substrate including a recess, however, fails to disclose/teach the recess at a location opposite to the storage capacitor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### CONCLUSION

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
